

Figure 13

Doctorate recipients, by highest parental educational attainment of either parent: 2002–22

Note(s):

Percentages are based on the number of doctorate recipients who responded to the item on the highest educational attainment for either parent and didn't report "not applicable" or "unknown" for both parents' education as their response. Percentages may not sum to 100 due to rounding and because of doctorate recipients who reported "not applicable" for both father's and mother's education beginning in 2004. Advanced degree includes master's degree, professional degree, and research doctorate.
